INSPIRED AT OUR SHOWROOM—OPEN DAILY FOR YOUR
CONVENIENCE.

PU STONE PANEL

\$175 PER PANEL 95"X24"

LIGHTWEIGHT

PU stone panels are significantly lighter than natural stone, making them easy to transport and install. This reduces labor costs and installation time, making them a practical choice for both interior and exterior projects.

EASY INSTALL

PU panels are highly durable, resistant to moisture, UV rays, and extreme weather conditions. This makes them ideal for use in various environments without worrying about cracking, fading, or degradation over time.

DURABILITY

PU stone panels mimic the natural look of stone but come in a wide range of colors, textures, and designs. This versatility allows designers to achieve a high-end, customized look that fits seamlessly into modern, rustic, or traditional styles.

PU ARTIFICIAL STONE PANEL

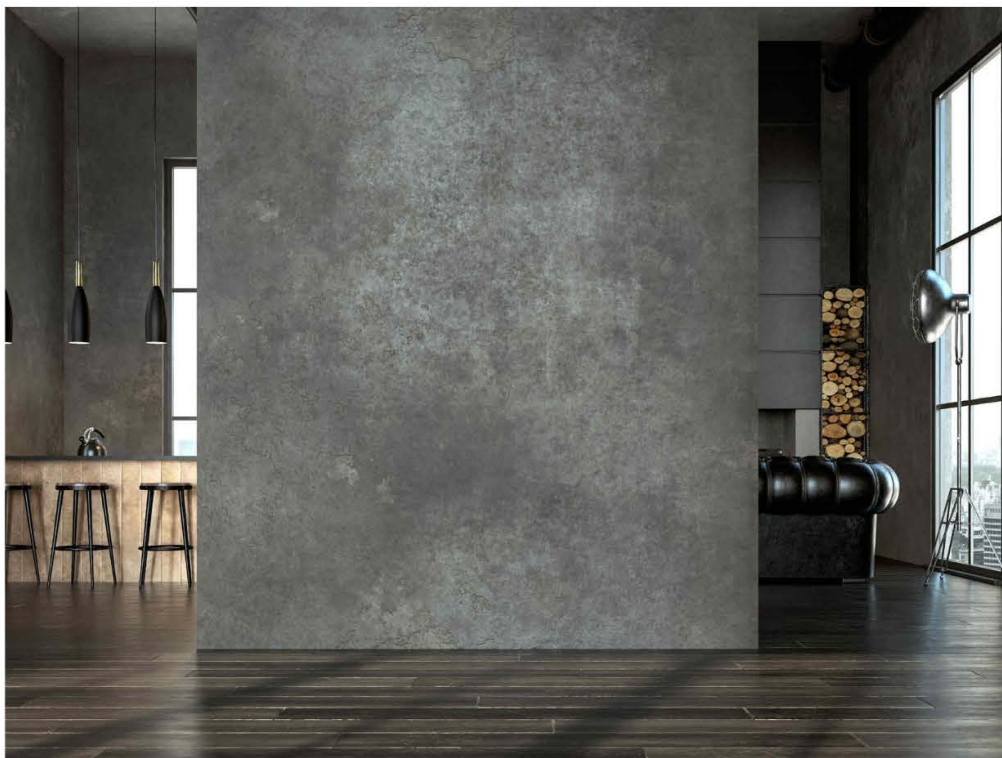

\$199 PER PANEL 95"X24"

MATT GREY CONCRETE TEXTURED WALL PANEL 96" X 48"-\$199

BRING THE MODERN INDUSTRIAL LOOK OF CONCRETE INTO YOUR SPACE WITHOUT THE HASSLE. OUR MATT GREY CONCRETE WALL PANEL OFFERS A REALISTIC CONCRETE TEXTURE IN A LIGHTWEIGHT, EASY-TO-INSTALL FORMAT. PERFECT FOR BOTH RESIDENTIAL AND COMMERCIAL INTERIORS, THESE PANELS ARE DESIGNED TO TRANSFORM WALLS AND CEILINGS WITH A SLEEK, CONTEMPORARY FINISH.

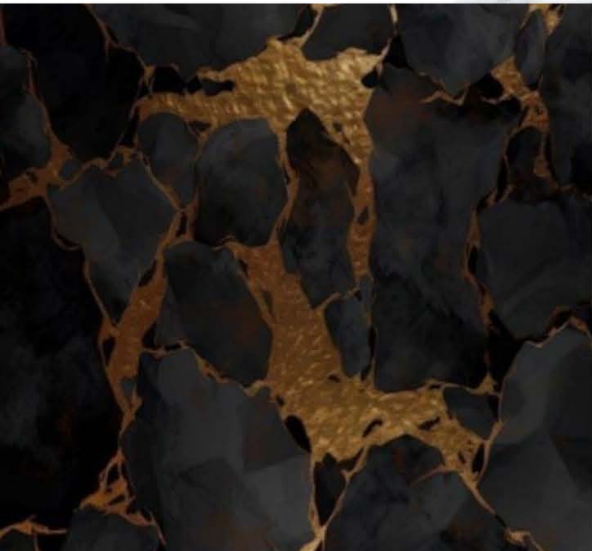

LIGHT ASH-\$120

UV marble panels are a popular choice for both residential and commercial interiors due to their unique combination of aesthetic appeal, durability, and practical benefits.

GLOSSY UV MARBLE PANELS 96"X48"

GLACIER \$140

- **Realistic Appearance:** They closely mimic the look of natural marble, giving spaces a luxurious and elegant feel.
- **Variety of Designs:** Available in a wide range of colors, patterns, and finishes to suit diverse interior design styles.

GOLD BUBBLE \$140

- **Scratch Resistance:** UV-coated panels are resistant to scratches and abrasions, making them suitable for high-traffic areas.
- **Moisture Resistance:** The UV coating protects against water damage, making them ideal for humid environments like kitchens and bathrooms.
- **Fading Resistance:** The UV layer prevents discoloration over time, ensuring long-lasting beauty.

SOFT WAVE-\$140

96X48 INCH

- Low Cleaning Effort: Smooth, non-porous surfaces are easy to clean and maintain with just a damp cloth.

GLOSSY UV MARBLE PANELS

SNOW DRIFT-\$140

108X48 INCH

Stain Resistance: The coating prevents the absorption of stains, keeping the panels looking pristine.

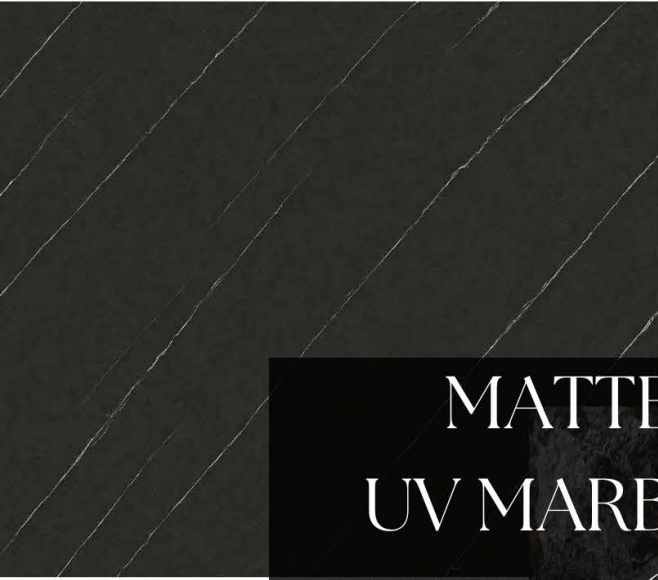

DEEP OCEAN-\$80

96X48 INCH

- Affordable Alternative: UV marble panels are a budget-friendly substitute for natural marble, offering a similar look at a fraction of the cost.

BLACK PULPIS \$120

- Easy Handling: Lighter than natural marble, making them easier to transport and install.
- Wide Application: Suitable for walls, ceilings, countertops, and furniture cladding.

MATTE UV MARBLE PANELS 96"X48"

RAINFOREST \$120

Recyclable Materials:
Many UV marble panels are made from recyclable or sustainable materials, reducing environmental impact.

GREY CRYSTAL \$120

Energy-Efficient Production:
The manufacturing process often consumes less energy compared to natural stone processing.

SHADOW \$140

Non-Toxic: Free from harmful chemicals, making them safe for indoor use.

GLOSSY UV MARBLE PANELS 96"X48"

DESERT-\$140

Fire Resistance: Some panels are designed to be fire-resistant, enhancing safety in homes and commercial spaces.

STATE LUX \$120

Extended Lifespan: With proper care, UV marble panels can last for decades without significant wear or degradation.

MATT SMOKE GREY

108X48 - \$140

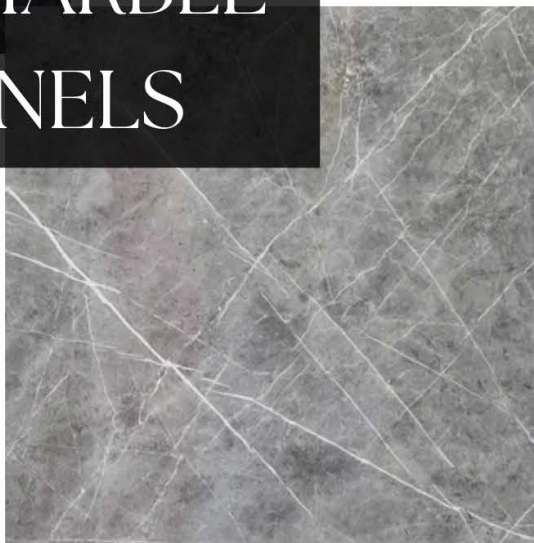

Low Installation Costs:
Lightweight and easy to
install, they reduce labor
and transportation
expenses.

UV MARBLE PANELS

GRANITE GLOW

108X48 - \$140

Tailored Sizes: Panels can be cut
and shaped to fit specific
dimensions, making them
adaptable to various projects.

MIDNIGHT GOLD

96X48-\$140

Printing Technology:
Advanced printing techniques
allow for detailed and unique
patterns that mimic marble or
other natural materials.

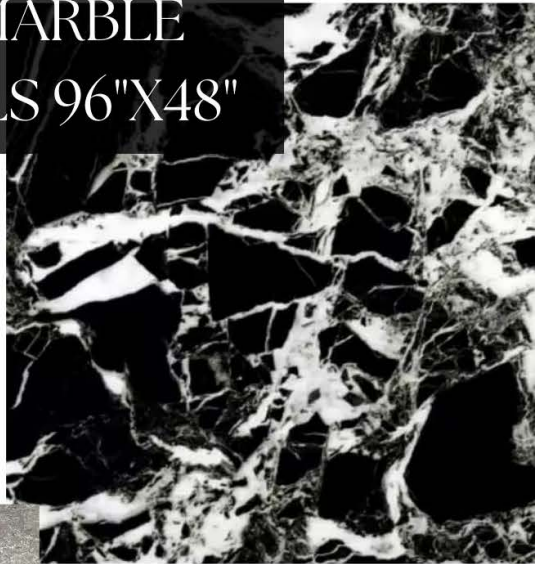

PIETRA SANTA \$120

- Heat Resistance: UV-coated surfaces can withstand moderate heat without warping or damage.
- Thermal Stability: Suitable for both hot and cold environments, maintaining their structure and appearance.

GLOSSY UV MARBLE PANELS 96"X48"

ECLIPSE-\$120

- Acoustic Benefits: Some UV marble panels provide sound-dampening properties, contributing to quieter interiors.

GLOSSY ONYX \$140

- Simplified Installation: Their lightweight nature reduces the need for heavy-duty support structures, simplifying installation.

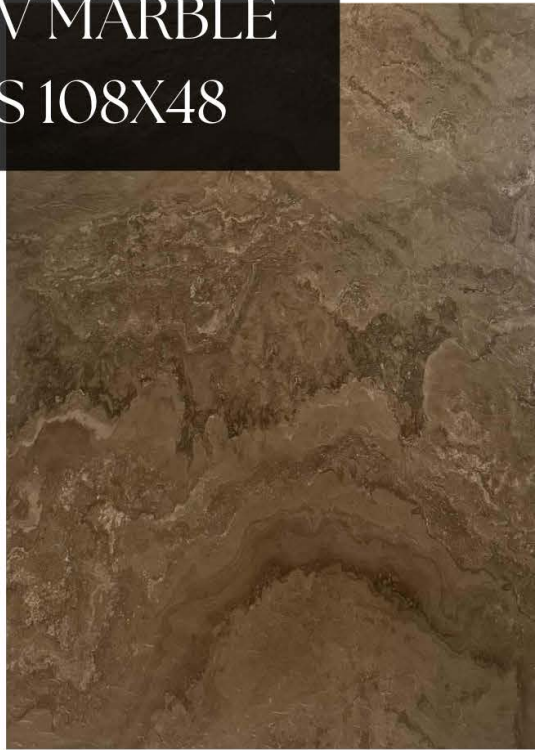

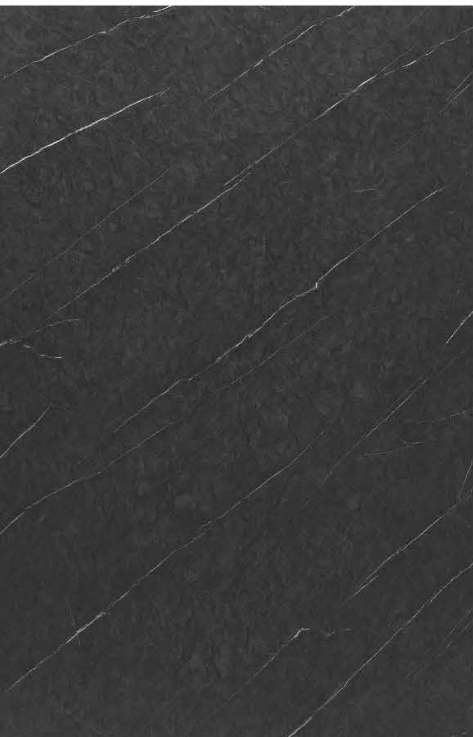

PIETRA INSANTE \$140

Versatility in Use: Ideal for applications where natural marble would be impractical due to its weight, such as ceiling panels.

MATTE UV MARBLE PANELS 108X48

GREY PULPIS \$140

BROWN ONYX \$140

- UV Protection: The UV coating prevents damage from sunlight, making them suitable for areas exposed to natural light.
- Chemical Resistance: Resistant to common household chemicals, ensuring durability in harsh environments.

FUSION GREY \$120

- No Dust or Noise: Unlike natural marble, UV panels don't require cutting or polishing on-site, minimizing mess.
- Quick Renovations: Suitable for remodeling projects where time and disruption are key concerns.

MARQUINA \$120

MATTE UV MARBLE PANELS 96"X48"

TRAVERTINNO \$120

- Uniform Pricing: Unlike natural marble, which varies in cost based on rarity, UV marble panels have consistent pricing.
- Reduced Waste Costs: Less material waste during installation means lower overall expenses.

NATURAL VENEER FLAT BOARD PANELS

\$175 PER PANEL 96"X48"

PREMIUM QUALITY & AUTHENTIC LOOK

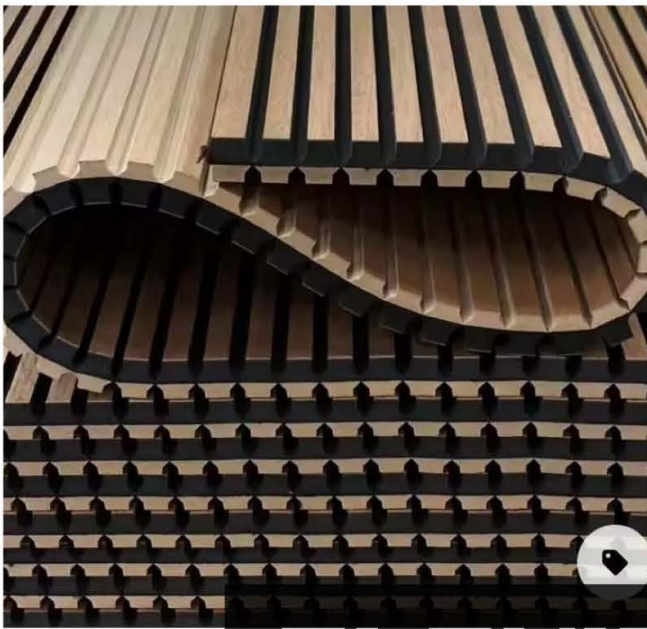

Made from real natural wood veneers, these panels showcase the richness of genuine wood grain, adding warmth and elegance to any space.

DURABILITY & PROTECTION

Finished on all sides with a clear protective coating, they resist scratches and UV fading, ensuring long-lasting beauty and performance.

VERSATILE APPLICATIONS

With their sleek 96x48 size and refined finish, they are ideal for a wide range of interior design projects, from wall paneling to furniture components.

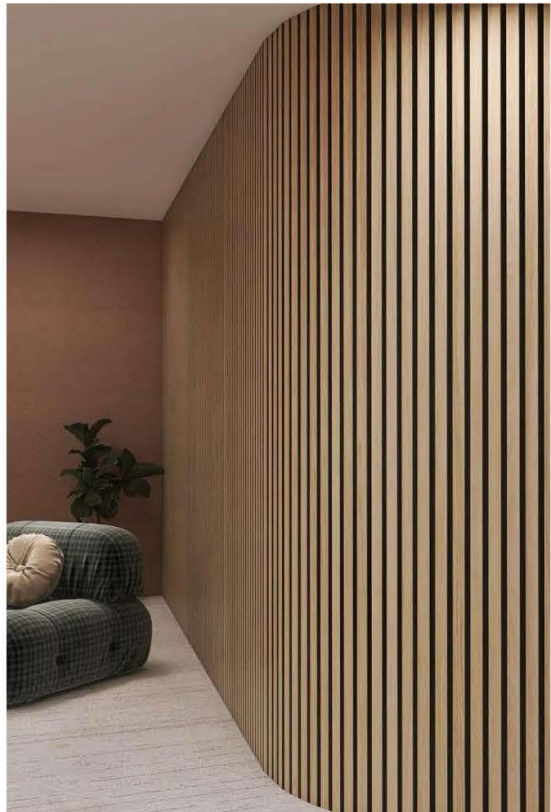

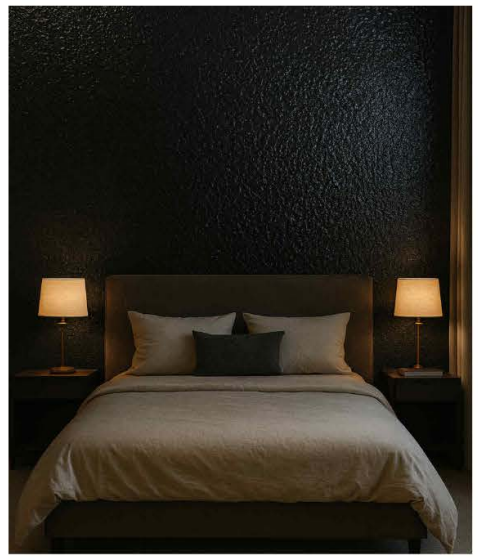

- Effectively Reduce Noise
- MDF Slats Material
- Front Material – Real Oak
- Bottom Felt – Polyester
- Easy to Install
- 0.47" thickness
- Can be applied to both flat and curved surfaces

\$120 per panel 95x24 inch

FLEXIBLE

Our Wood Slat Flexible Acoustic Wall Panels combine style and performance in one solution. Crafted with natural wood veneer slats, these panels bring warmth, elegance, and texture to any interior while significantly improving sound absorption and reducing noise. Their flexible design makes them easy to install on curved walls, columns, and unique architectural features, offering unmatched versatility for both residential and commercial spaces.

DECORATIVE WAVE WATER RIPPLE PANEL 96X48 -\$150

A stylish 3D wall panel featuring a flowing wave-like ripple design. Made for modern interiors, it adds depth, texture, and a striking visual effect. Lightweight, durable, and easy to install—perfect for feature walls, lobbies, restaurants, or residential spaces.

WPC OUTDOOR

WPC fluted slat wall panels are the perfect wall paneling solution for remodeling any space. Made from a heavy duty Wood-Plastic Composite (WPC) and wrapped in a durable veneer-like finish.

- ✓ STRONG, WEATHER-RESISTANT COMPOSITE MATERIAL
- ✓ WOOD-LIKE FINISH WITH MODERN APPEAL
- ✓ RESISTANT TO MOISTURE, ROT, AND UV FADING
- ✓ LOW-MAINTENANCE AND ECO-FRIENDLY
- ✓ PERFECT FOR EXTERIOR WALLS, FACADES, AND SIDING

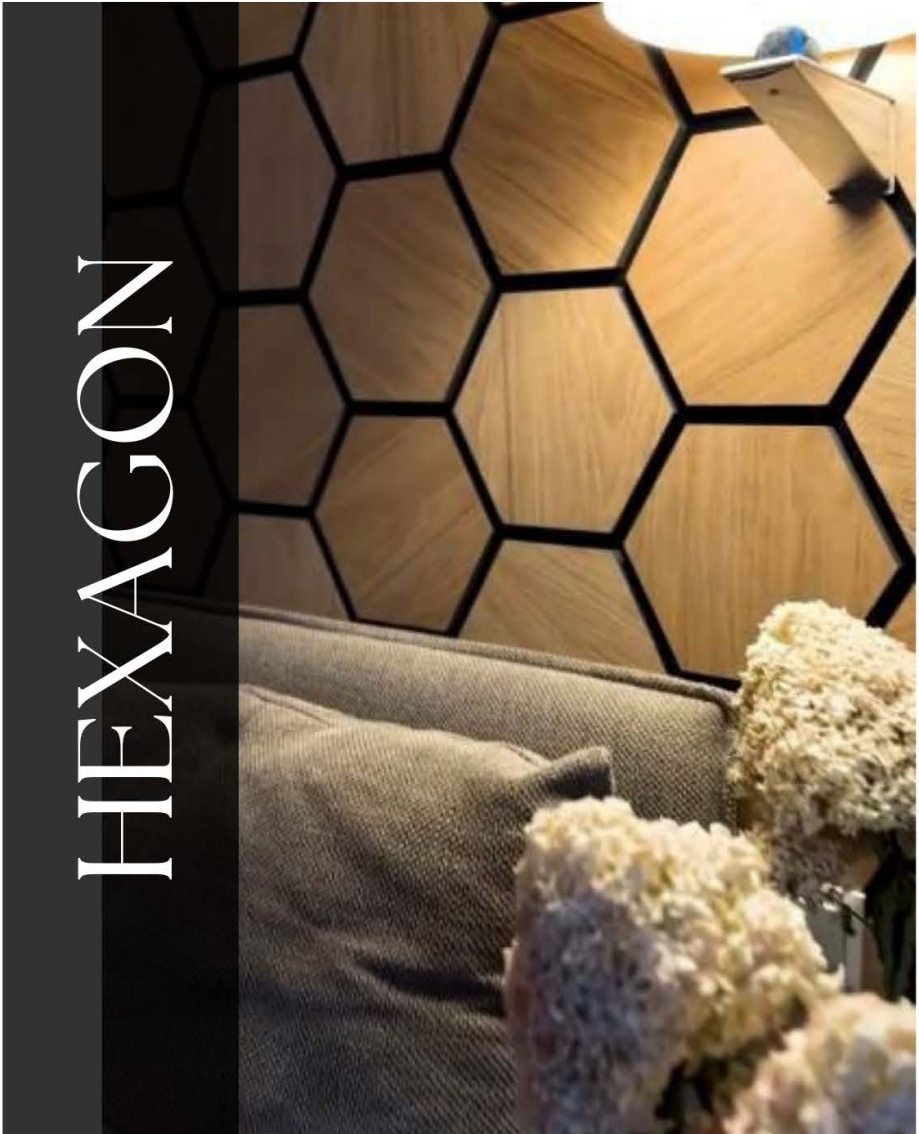

SPECIAL DEAL \$60 PER 118"X8.5"

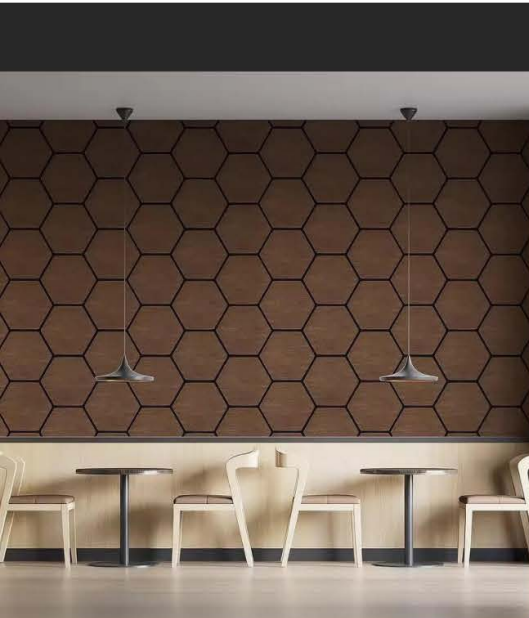

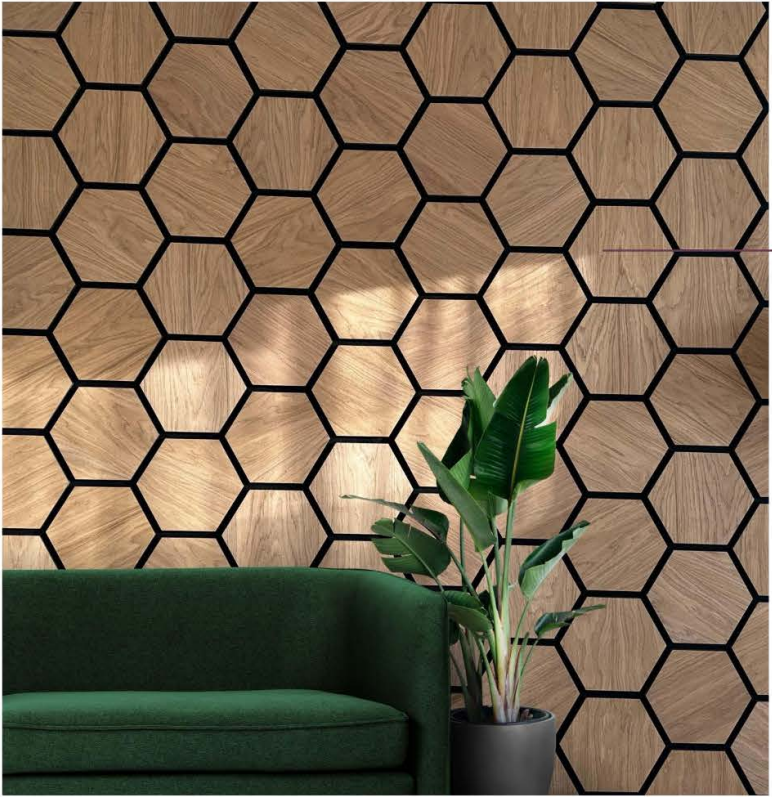

Built to last, our WPC Heavy Duty Exterior Panels are the perfect blend of wood beauty and composite strength. Engineered for outdoor use, these panels are highly durable, weather-resistant, and low-maintenance, making them ideal for siding, facades, and exterior cladding projects. With their natural wood-like finish and robust structure, they withstand rain, sun, and temperature changes without warping or fading—delivering long-lasting performance and style.

HEXAGON

Introducing our Hexagon Acoustic Panels – a modern twist on sound diffusion that brings both character and functionality to your space. The unique hexagon shape, combined with a premium felt backing, allows sound to pass through while diffusing and absorbing it, delivering optimal sound control and reduced noise levels.

\$50 PER 32"X26"

This hexagon acoustic panel combines sustainability, modern design, and exceptional sound control. With its eco-friendly white oak veneer, durable black MDF core, and recycled felt backing, it's the ideal choice for spaces that value both visual appeal and enhanced acoustic performance.

SOLID WOOD PANEL

\$120 PER BOX 94X24

- Pack quantity: pack of 4-pieces
- 94 in. x 6 in. x 0.8 in.
- Solid wood: made of wood panel wrapped with PVC film.
- Easy to install: with the given metal clips and screws, just clip up and screw on.
- Stylish and modern
- Wooden slats create a natural and warm appearance, adding a touch of elegance and sophistication to any room.

SOFT CERAMIC PANEL

\$250 PER 95"X24"

Soft ceramic panels are lightweight, flexible wall cladding made from natural clay and eco-friendly materials. They mimic textures like stone or brick, are easy to install, and highly durable, offering resistance to UV, moisture, and fire. Ideal for both curved and flat surfaces, they provide a versatile and sustainable design solution.

LED LIGHT & METAL STRIPS

LED lighting that is easily mounted between the wooden slats in our acoustic panels.

The aluminum profile fits perfectly between the ribs both regarding width and height, which means that you can easily glue the LED strips into place.

2 sizes available: 2400mm (L) x 8mm (W) x 9mm (D) and 1200mm (L) x 8mm (W) x 9mm (D)

With this product comes the following: 1 dimmable LED strip, 1 x black aluminum profile, 1 opal glass, 2 end pieces, and 1 x electrical cable, transformer, controller and remote control. Price range \$150-170 depending on size.

Metal Strips available in silver & gold colors.

FLOATING LED SHELVES

36 INCH-\$200

48 INCH-\$250

- Add both style and function to your space with our LED Floating Shelves, available in gold, silver, and black finishes. Crafted from premium all-aluminum alloy, these shelves are durable, lightweight, and resistant to wear.
- Each shelf features a built-in LED backlight, creating a modern glow that enhances any interior—perfect for living rooms, bedrooms, offices, or showrooms.
- Available in two versatile sizes, 36-inch and 48-inch, they provide the ideal balance of elegance and practicality for displaying décor, books, or everyday essentials.
